— Video — CONTENTMENT, JEFF MANION

Presenter

Jeff Manion is the Senior Pastor of Ada Bible Church, where he has served for over thirty years. He is the author of **The Land Between, Satisfied**, and **Dream Big, Think Small**. His great joy is digging into Scripture and teaching the story of the Bible in a clear and relevant way.

Overview/Questions

- As you watch the video, listen to what Jeff says about the “cycle of care”.

Notes

- I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want.
Philippians 4:12

- If you don't like yourself, your house will not make you like yourself better. If your family is dysfunctional, a new home will not put it together. Any renovation you attempt as a psychological balm is destined to fail. **Duo Dickinson**

- Freedom is to live in the “here and now” not the “there and then”.

- When I give it away, it's not mine any more.

- And my God will meet all your needs according to the riches of his glory in Christ Jesus. **Philippians 4:19**
