## OPEN/THEME/HOMEWORK REVIEW

10"

### Welcome

- I am so glad to be back together this week.

### Theme of the Week

- The theme of today is **Giving Freely**; we'll explore some of the challenges we face in the sharing of our resources.
- We'll start with a teaching video, a powerful message from Tim Keller about the possibilities that arise when we are open to extravagant giving.
- We'll spend some time in reflective worship.
- And then we'll hear the story of a doctor who made the decision to live a radically generous life.

### Homework Review

- Let's talk about last week's homework.
- Before we start, do you have any questions about last week's session, **Telling Your Story**?

- This week, you shared your generosity story with family and friends.
- How did that go for you? Did it get easier as you shared?
- Did anyone have a challenge that they could share?
- You also reviewed your My Giving Beliefs exercise, which we'll use in today's session.

## Video—SCATTERING AND GATHERING, Tim Keller

25”

### Overview the Session...

- Understanding our purpose and passion is an important first step to discovering joy and freedom in giving.
- It is also important to learn some of the challenges in applying them to your giving plan.
- We are going to watch a teaching from Tim Keller called Scattering and Gathering.

### Introduce the Presenter...

- As background, Tim is the founding pastor of Redeemer Presbyterian Church in Manhattan.
- He currently serves as chairman and co-founder of Redeemer City to City, which starts new churches in New York and other global cities and publishes resources for ministry in urban environments.
- Dr. Keller's many books include New York Times bestsellers and have been translated into 25 languages.
- He is passionate about generosity and how Scripture challenges us in our giving.

## Overview/Show The Video (14”)

- As you watch the video, think about what is holding you back from wholehearted giving—or as Tim says, “scattering.”
- Please turn to your participant notes. There you’ll find information about our presenter and space for notes.
- **(Show the video.)**

## Facilitate Discussion, Affirming Women as They Contribute...

- Tim outlined five points of what it means to “scatter.” What was one thing that resonated with you?
- Tim ties Jesus being “scattered” at the cross to our generosity, does this change your perspective?

## WORSHIP REFLECTION

5”

### “Ever Be—We Will Not Be Shaken”—Bethel Music

- I’d like us to take five minutes in a time of quiet reflection.
- While I play “**Ever Be—We Will Not Be Shaken**”, ask God what is holding me back from wholehearted generosity and from “scattering.” What might God have you do to better scatter your time, talents, and resources?
- Use these minutes to stop and take a breath, creating a quiet moment to hear from God.

## Video—A WOMAN GIVING WELL, Renee Lockey

15”

### Overview the Session...

- This video shares the story of a woman who is giving well, one who has determined what she cares so much about that she is willing to give sacrificially.

### Introduce the Presenter...

- Renee Lockey is a mother, doctor, and prodigal grateful for grace.
- She recently moved from Austin, TX, to Colorado Springs, CO, where she works as an OB hospitalist at University of Colorado Memorial Hospital.
- The relocation was motivated by an empty nest, an opportunity to grow as a servant leader, and the aim of finding work—life balance in the mountains.
- In her free time, she enjoys mountain biking, snowboarding, and spending time outdoors with her mom and son.

### Overview/Show the Video (5”)

- As you watch the video, listen for how God spoke to Renee and encouraged her to be a generous giver.
- Please turn to your participant notes. There you'll find information about our presenter and space for notes.
- **(Show the video.)**

### Facilitate Discussion, Affirming Women as They Contribute...

- What was your reaction to hearing “Work like a doctor, live like a nurse”?
- Living well below your means—what would that mean to you?
- What are some of the benefits and risks of saving less aggressively?
- Did anything else stand out to you in the video?

## Sharing

- We have a few minutes left.
- Would one of you be willing to share a takeaway from today's session, **Giving Freely?**
- Your sharing helps inform how we can pray for you this week.

## Homework—Where Do My Money Beliefs Come From? 25 Ways to Engage Others in Generosity

- Your homework is critical for your journey toward a more wholeheartedly generous life.
- This week your homework is to complete and reflect on your answers to the “Where Do My Money Beliefs Come From?” worksheet; you can do this with others to build a deeper connection.
- Please also read 25 Ways to Engage Others in Your Generosity.
- I look forward to being with you for **Week 5: Better Together.**
- As we are nearing the end of our time together in this group, I want to let you know of opportunities to continue to explore wholehearted generosity.
- WDW has an alumni community you'll be invited to join.
- With this online platform you can join a variety of groups based on passion areas, plan next steps, and wanting to stay connected.
- You can also become trained to lead a group of women through the Women Doing Well Pathway, just as I have.
- If you'd like to learn more let me know.

## Close in Prayer

- As we close, I am going to pray for each of you.
