▶ — Video — A GIVING STORY, Kim King —

Presenter

Kim King served for over thirty years as an attorney and leader in the law department of Exxon Mobil Corporation. She lives in Houston, where she loves to learn, write, and teach. Recently retired from the corporate world, she authored the book **When Women Give**, a book filled with practical advice and stories to foster growth in giving at any and every level. Kim shares openly from her own story, both from her perspective as a donor and from serving on the boards of several Christian nonprofits. She is passionate about helping women fulfill their purpose to the glory of God.

Overview/Questions

- As you watch the video, listen for Kim's three pivotal moments—when she made a commitment to give, realized what she had and what she was giving, and prayer.

Notes

- Importance of a like-minded financial advisor.

- Having a giving (donor—advised) fund.

- Creating a plan
 - Taking inventory — both spending and giving.

- Committing to giving.

- Walking in faith — know that the moment of 100% certainty will never arrive.

— Video — THE GIVING FUND, National Christian Foundation —

Presenter

The National Christian Foundation serves a global generosity movement helping Christian families send more to their favorite charities and connecting them with the larger movement of generosity taking place around the world. They use creative solutions to help giving go further through non-cash giving, less paperwork, and fewer taxes.

Overview/Questions

- As you watch the video, listen to how a fund can be used.

Notes

- A new way to give — no longer a chore.

- A charitable checking account — cash/checks as well as stocks, securities, properties, and businesses.

- Tax deduction immediately, money invested.

- Grants as requested — one-time gifts, and recurring support/pledges, can be anonymous.

Ten Questions to Consider

1. Are you writing lots of checks to charities and tracking too many receipts?
2. Do you want to be sure you're giving in the most tax-wise ways?
3. Would you like to give more strategically, but you're not sure where to start?
4. Wouldn't it be great if the money you set aside for giving could grow while you planned which charities to support?
5. Do you wonder if your giving is really aligned with your passions and values?
6. Do you long to be part of something bigger—a community of generous people— with your giving?
7. Would it be fun to give in the moment, anywhere, right from your phone, if the opportunity arose?
8. Would you like to simplify the record-keeping of your charitable contributions, especially at the end of the year?
9. Is it possible that giving together could strengthen your family?
10. Do you wish giving was more fun?
