

WOMEN DOING WELL

Right now, we are witnessing an unprecedented shift in wealth.

- By 2030, women will control over \$30 trillion in global assets.
- Women currently control 51% of the wealth in the US and 95% of women will be their family's financial decision maker in their lifetime.
- Women outlive men by an average of seven years, giving them more time to shape their legacies.

And Yet, in our ground breaking research of over 7,000 Christian women, only 6% felt confident or equipped in their giving.

WOMEN DOING WELL EXISTS TO IGNITE AND EQUIP WOMEN TO
ACTIVATE THEIR UNIQUE GENEROSITY.

Through The Pathway, women are equipped with their unique

Purpose, Passion & Plan to live generously.

“My giving wasn't focused. I would have a knee-jerk response to needs as they popped up, which felt haphazard and draining. After participating in the Pathway my giving is more focused and on purpose.”- pathway participant
